

A Home That Is A Holy Place is...

A home of prayer

A home where we celebrate traditions

A home where we work together

A home where we love the scriptures

A home blessed by priesthood power

A home where we eat meals together

A home of faith

A home unplugged from the world

A home where we honor the Sabbath

A home where we have family home evening

A home where we gather with friends

A home of love

A home where we look to the temple
